EDUCATION

University of Amravati   Pusad, Maharashtra
Bachelor of Science   *2017– 2021*

University of Nanded   Mahur, Maharashtra
Master of Science in Computer Science   *Sep 2022 – May 2024*

PROJECTS

E-Commerce   *React Js, GitHub*

Link
· Developed a user-friendly e-commerce application named **Shopper** that allows users to browse and purchase products online. The app is designed with a focus on providing a seamless shopping experience.
· Implemented advanced functionalities like search and filter capabilities, integrated secure payment processing, and addressed key performance optimization and state management challenges, demonstrating problem-solving skills and technical proficiency.

Social-Book   *HTML,Css,Javascript,GitHub*

Link
· Developed a fully functional social media platform prototype using HTML, CSS, and JavaScript.
· Ensured data validation and error handling for a seamless user experience.
· Created a clean and visually appealing layout that adapts to various screen sizes and devices.
· Implemented a feature for users to post and view stories, similar to popular social media platforms.

CERTIFICATIONS

· **Front-End Web Development**
